GPLMART COLORING BOOK

The Mandala Coloring Book

15 hand-drawn-style coloring pages: mandalas, flowers, geometric patterns, sun faces and butterflies. Print, color, relax.

HOW TO USE THIS COLORING BOOK

â€¢ Print at 100% / Actual Size on white paper - 80gsm works, 120gsm is nicer.

â€¢ Color with pencils, markers, gel pens or watercolors - every page is pure black line art.

â€¢ Mandala pages are designed for symmetry: start at the center and work outward.

â€¢ Take your time - coloring is meant to be slow. 20 minutes per page is normal.

Tips for stunning results

â€¢ Use a light pencil sketch first for complex pages

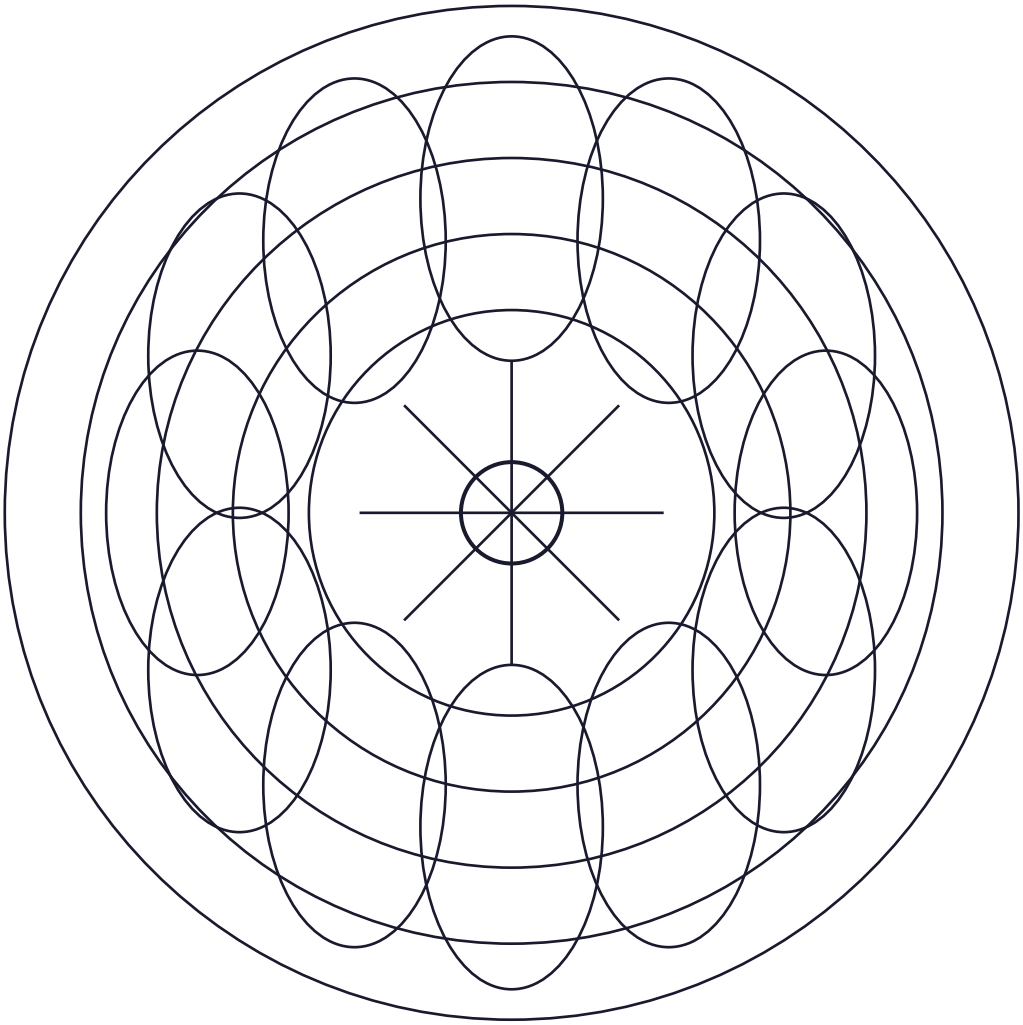

â€¢ Blend adjacent colors for gradient effects

â€¢ Leave some white space - it makes colors pop

â€¢ Try metallic gel pens on dark pages for a premium look
